WASTE SERVICES

"I'm dedicated to excellent service.

I'm Team Express."

TEAM EXPRESS

We are Masters of Waste

Our Promise to You:

Express Waste's promise is to provide **"The Best Price for the Best Service".** We serve the entire Southeastern Michigan region. It's our home and we aim to take good care of it. You will often hear us say "**YES"** when others say **no**. That's how we serve.

Our Service is Considered Second-to-None

It's because our work force is well trained and highly respected. They perform with outstanding workmanship and pride. We also make sure our equipment is the industry's best and always well maintained. This makes a big difference in pleasing our employees and customers.

Our management team spans generations of waste management experience. We've seen it all. But our most important strength is our dedication to excellent customer service.

Residential Curbside Services

Express is very proud of our residential workers.
They're instructed to leave no trash behind.
If it's at the curb, they take it.
If they drop it, they pick it up.

Every curbside route has a supervisor on the road along with their trucks and workers. Using our **Express Alert System**, they keep track of residents' and drivers' needs, allowing immediate attention to any problem or situation. This eliminates confusion and delays.

Express is also committed to dedicating trucks for each community awarded to us, ensuring that the collection gets done in an orderly and reasonable manner.

Commercial & Dumpster Services

Express performs excellent commercial front-load services, compactors, and roll-off dumpster rentals. We truly are "full service". Whatever waste service you need, we have you covered.

Express Waste offers a recycling incentive program to our residential customers.

Who We Serve

We are a commercial and industrial waste and recycling service company serving many types of customers:

- Entire Communities
- Commercial & Residential
- Retail/Shopping Centers
- Manufacturing plants
- Industrial
- Property managers
- Construction companies
- Roofing contractors
- Janitorial services
- Service companies
- Demolition firms
- Business owners
- Homeowners
- Homebuilders

Our Community Matters

We are a proud supporter of local community events, school sports, and many charities, including Variety Kids.

Express Waste also provides recycling services for several of its customers, supporting "zero waste" for customers like Ford Motor Company, General Motors and others.

Our Dedication to Recycling

Our headquarters and transfer station allow us to perform better service, maintain our trucks, and, most importantly, recycle what we collect. You are welcome to view our dump tickets at any time to show proof we are recycling. We are proud of that.

Service Location & Transfer Facility

Our service location is in Warren, Michigan. It's where we utilize our own transfer facility, which provides significant savings for Express Waste, including lower operating costs, fast turnaround service, state-of-the-art fleet maintenance, and recycling services.

Who We Serve:

We Do It All

Express Waste provides a complete line of waste management services. We serve all sizes of firms and municipalities.

Residential Curbside Collection

If it is at the curb, we'll take it.

Commercial & Front Load Services

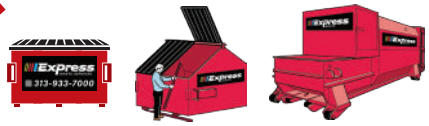

We offer all sizes & types - all on time.

Institutional - Schools, Hospitals. etc.

We can handle any size facility or demand.

Dumpster Rentals *Roll-Off & Rubber Wheel Trailers*

Our Secret to Success

TEAM EXPRESS

Our Secret to Success

It's called "teamwork". We carefully handpick the right employees to build a team of service-minded winners at every level, setting us apart from our competitors.

Every day Express Waste's #1 goal is "service". So training our team is important. We work together to deliver 100% customer satisfaction - from answering phones, dispatching trucks, maintaining our fleet, to removing trash with the utmost efficiency and professionalism.

Our modern equipment and technology is a part of our strategy, but it does not deliver success - our people do.

Team Express is our secret.

Express Waste loves to serve. You will see the difference. Our reputation is to win hearts and bids because of our commitment to **Best Price for the Best Service**. We're proud of that.

HISTORICAL FOOTNOTE: Express purchased Campo Disposal in 2024. Campo was formed in 2017.

How We Hire Our Team

Our hiring strategy is to search out and find the top employees in the waste industry, especially those who are under-utilized. Once at Express Waste, we value our employee's feedback and helpful suggestions. Moreover, we continually support and promote from within our company. Employees feel like family, not a number.

As a proud **Second Chance Employer,** we examine one's past issues that may have hindered and perhaps even prevented them from working and give them the opportunity to have a true second chance.

For Example:

MSI

EXPRESS is a supporter of Michigan State Industries. Their mission is: "Building Bridges to Success" by providing real opportunities for Michigan adults in custody. Educating and empowering them to become law-abiding, tax-paying citizens through successful work skills training.

Show a person respect and honor, and they will perform like a champion.

Honest, hard-working team players - that's our secret to success.

Call Now for Service

313-933-7000

When you call us, you will reach a friendly team member - not voicemail. Your service requests are handled quickly and efficiently. Our dedicated Team Express employees are what drives our success.
